

Dear Professor Kessler,

I just wanted to take a moment to express my heartfelt thanks for the incredible experience in your data journalism class at SMPA. Your use of Trello for a clear, structured calendar, along with the innovative integration of Posit Cloud, enhanced our learning experience. Your professionalism and dedication, especially during our Tuesday evening classes, did not go unnoticed and deeply inspired me. I'm particularly grateful for your prompt email responses and the flexibility you offered with your office hours; it made a huge difference. Thanks again for an amazing semester - your guidance has been invaluable!

Best regards,

Yutong Jiang
